SUGGESTED GENERAL DUTIES OF TEAM MANAGERS

Once appointed by the President, Team Managers retain their position until they either resign or are replaced by the Board of Directors. In addition to the obvious duties as a Manager, the position requires the following:

1. Assure that players adhere to the rules, regulations and policies of the League.
2. Assure that players conduct themselves in a proper and ethical manner and exhibit good sportsmanship. (See Code of Ethics)
3. Assure that players take care to protect the team uniforms and equipment.
4. Attend the player draft with emphasis on drafting a competitive team.
5. Home Team Managers will solicit player volunteers to prepare the fields of play on game days, as cited by NSSL Rule #6.
